The Friends committee has nominated the **project of nursery bench purchase with funds raised from donations this year**. With 80,000 tubestock required annually in order to meet our orders and community sales, our volunteers need an efficient and safe workplace. We wish to purchase up to 20 benches (\$270 each) to raise all plants off the ground to limit the amount of bending and lifting required as well as assisting us to maintain healthy plant stock. Any donation toward the benches will be greatly appreciated.

Email

Email helps us cut down on printing, postage & collating costs. Would you like to receive your HeHo Herald by email (less than 1Mb pdf file)? You will also receive notification of special activities between newsletters.

Please tick if you require a receipt.

I am also interested in volunteering. Please send me further details.

Perhaps you would like your donation to be 0.5% of your shopping at IGA stores. Just ask for a community benefits card at IGA and they will process the funds to us.

Thank you
